To Whom It May Concern:

On Tuesday, January 9, 2019, the City of League City's City Council approved Ordinance No. 2019-01 which adopted roadway capital recovery fees and related schedule. These fees will be used to assist in the funding of critical roadway projects needed to accommodate future growth, while maintaining the character and quality of life envisioned by city residents in the Comprehensive Plan.

The following schedule has been implemented and are as follows:

- Developments that have submitted a Preliminary Plat prior to March 1, 2019, have submitted infrastructure improvement plans by May 1, 2019 and the infrastructure plans have been accepted by Staff before October 1, 2019, shall not be required to pay the Roadway Capital Recovery Fee.
- Developments that submit a Preliminary Plat after March 1, 2019, fail to submit infrastructure improvement plans prior to May 1, 2019, or do not have said infrastructure plans accepted by October 1, 2019, will be required to pay assessed Roadway Capital Recovery Fees.
- Similar to existing Water and Wastewater Capital Recovery Fees, the required fees will be assessed at the time of platting but will be paid at the time the Building Permits are issued.

The full Ordinance can be accessed via the City's website at:
