

Zoning Application

So that we may efficiently review your project in a timely manner, it is important that all required documents and fees listed on the “Submittal Checklist” below are submitted with your application. One or more of the required documents may be waived due to the size of the parcel, the number of lots being created, the proposed use or the adequacy of existing infrastructure servicing the location. However, it is incumbent upon the applicant to inquire about these exceptions for your project **before** submitting an application. Feasibility reviews with our Development Review Committee (DRC) are available to help answer these questions prior to the formal submittal of applications. (Please call the number above to schedule an appointment.) Submit applications and accompanying documents to the Customer Service Lobby at the address above **no later than Tuesday AT 12:00 P.M.** For a detailed checklist of items required on plats and plans and a general timeline for your application to be approved, go to www.leaguecity.com/planning.

If no resubmittal or reasonable attempt to move the project forward has been made within six-months of a submittal, the application will be deemed dormant and a new application will be required.
